

REMARKS

The present claims are being submitted as part of a Petition to Revive. These claims have been extensively prosecuted in the past, and the Office has already determined that claims 10-13 are allowed. Claims 5-7 and 9 were indicated as being allowable if rewritten in independent form, and Applicant has here amended claims 5 and 9 to be in independent form including all limitations in intervening claims. Claim 5, 6, 7 and 8 depend from claim 5. Thus, it is believed that claims 5-13 are in condition for allowance. Claims 1-4 have been cancelled, though Applicant reserves the right to pursue these claims in a continuation application.

The present application now includes one additional independent claim, inasmuch as independent claim 1 has been cancelled, and two new independent claims have been added (claims 5 and 9). Thus, the requisite fee of \$220.00 is submitted herewith. Applicant has also submitted the requisite fees for the Petition to Revive, and it is believed that no other fees are due at this time. Nonetheless, in the event that an additional fee required for the filing of this document is missing or insufficient, the undersigned attorney hereby authorizes the Commissioner to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. 18-0987.

Should the Examiner wish to discuss any of the foregoing in more detail, the undersigned attorney would welcome a telephone call.

Respectfully submitted,
